INGREDIENT HIGHLIGHTS

- Glycolic Acid 15%, Pyrus Malus (Apple) Fruit Extract, Opuntia Ficus-Indica (Nopal Cactus) Extract, Saccharamyces Cerevisiae Extract, Tocopheryl Acetate (Vitamin E)

Skin Brightening Treatment

DESCRIPTION

Naturally derived from sugar cane, Skin Brightening Treatment is an emollient and rich exfoliant that contains a micromolecular form of Alpha Hydroxy Acid, Glycolic Acid, to correct visible signs of photo aging including dull and rough skin. This extra-strength formula improves the overall complexion as it safely and aggressively smoothes fine lines and wrinkles, corrects uneven pigmentation and age spots and dramatically reduces pore size. Skin Brightening Treatment also promotes natural collagen growth and cell production for younger, healthier looking skin. Formulated with a combination of Glycolic Acid, cactus extract, and other botanicals, Skin Brightening Treatment increases the skin's protection against harmful environmental factors, exfoliates of dead skin cells, soothes the skin and improves the appearance of sun-damaged skin. This non-greasy, non-irritating formula works effectively for maturing skin to provide corrective actions against photo aging, stimulate collagen growth and noticeably reduce fine lines and wrinkles.

BENEFITS

- Contains a micromolecular sized Alpha Hydroxy Acid, 15% Glycolic Acid, as well as skin-soothing Prickly Pear Cactus extract
- Corrects visible signs of photoaging, including: dullness, sagging and rough skin
- Improves complexion as it safely and aggressively smoothes out fine lines and wrinkles
- Actively regenerates natural collagen growth and cellular production for healthier, younger looking skin

DIRECTIONS FOR USE

- Apply sparingly over face and neck, avoiding eye area. Allow to absorb before applying additional products. Use once a day at bedtime or as directed by physician. Apply product twice a week initially, and increase use after skin shows minimal signs of irritation. Use of sun protection recommended.

INGREDIENTS

- Water/Aqua/Eau, Glycolic Acid, Stearic Acid, Glycerin, Pyrus Malus (Apple) Fruit Extract, PEG-100 Stearate, PEG-40 Stearate, Stearyl Alcohol, Isopropyl Palmitate, Opuntia Ficus-Indica (Nopal Cactus) Extract, Saccharamyces Cerevisiae Extract, Tocopheryl Acetate (Vitamin E), Cyclopentasiloxane, Cyclohexasiloxane, Allantoin, Xanthan Gum, Sodium Hydroxide, Ethylhexylglycerin, Phenoxyethanol
